

Certificate

Cyber Security Management

ISASecure® SDLA
License Number: ISCI-CL0003

Certificate No.

968/SDLA 107.00/20

Certified Company & Location

Schneider Electric Systems USA, Inc.
26521 Rancho Parkway South
Lake Forest, CA 92630
USA

Scope of Certification

Product Supplier, related to
ISASecure® Security Development Lifecycle Assurance – Version 2.0.0
(Incorporating SDLA-102 Errata v2.0),

ANSI/ISA 62443-4-1:2018 Secure product development lifecycle requirements,

IEC 62443-4-1:2018 Secure product development lifecycle requirements.

The company has successfully demonstrated during an audit process that the Development Lifecycle Management System (EDM 2.0) has been implemented and fulfills the applicable requirements of the standard.

Purpose of the audit is to obtain evidence of compliance with the organizational requirements related to the **Management of Cyber Security** according to the Scope of Certification, **covering the development of security related components and systems.**

This SDLA Certification only refers to the listed company location and their involved departments, which comply with the organizational Cyber Security Management requirements for the listed Scope of Certification. This certificate does not imply approval or certification for specific security related developments of products.
