Certificate

Cyber Security Management

ISASecure® SDLA
License Number: ISCI-CL0003

Certificate No.	**968/SDLA 107.05/26**
Certified Company & Location	**Schneider Electric Systems USA, Inc.** 26521 Rancho Parkway South Lake Forest, CA 92630 **USA**

Scope of Certification

Development Lifecycle Management Process according to

- ISASecure® Security Development Lifecycle Assurance – Version 3.0.0
(Incorporating SDLA-102 Errata v3.0)

- ANSI/ISA 62443-4-1:2018 Secure product development lifecycle requirements

- IEC 62443-4-1:2018 Secure product development lifecycle requirements

The company has successfully demonstrated that the Security Development Lifecycle Management Process "Product Development Process" according to Schneider Electric Triconex Engineering Department Manual Edition 2 (EDM2) has been implemented and fulfills the applicable requirements of the standard.

This certification applies to revision 1.7 or later of "Product Development Process" according to Schneider Electric Triconex Engineering Department Manual Edition 2 (EDM2).

The normative documents and issue dates that define this certification are listed at www.isasecure.org.

This SDLA Certification only refers to the listed company location and their involved departments, which comply with the organizational Cyber Security Management requirements for the listed Scope of Certification. This certificate does not imply approval or certification for specific security related development of products.
